

God granted us the opportunity to have a wish granted by the Make – A – Wish foundation. Esther's first wish was to return to Mongolia. We are thankful that God has given our children a burden for the country that God has called us. One of the major needs that the believers in Mongolia have is for good Christian materials to be printed in the Mongolian language. We would ask that in lieu of flowers, donations be made to First Bible, Mongolia for the translation and printing of Sunday School materials in the Mongolian language. Here is the necessary information:
