

March/April 2010

Dear Friends,

In early February, Esther had a meeting with Make A Wish. It was a blessing to hear her wish. Her first wish was to go back home (to Mongolia), visit with her friends, and then take the train to China. It is a great blessing to know Mongolia has become home to our children.

I have often been asked how we are doing. I would be lying to say that it has been easy. However, even though we do not understand it, God has given us a great deal of peace. We are very glad that HE is the God of the mountains AND the God of the valleys. Here is a short note from Lydia: "James 4:13 – 16. These verses teach us that we do not know what tomorrow holds for us. Only God knows these things. We need to learn to appreciate each moment that God gives us. This truth becomes

more real when you have a loved one that you are losing. We thank God for each and every day for Esther. Every moment that we have with her is a blessing. This next weekend (March 12 – 18th) we get to go to Florida with her on vacation. We appreciate your prayers as we go. Her cancer is progressing and we are not sure how much more time we have with her. Again, thank you for your prayers."

Esther's physical condition has continued to deteriorate. Just in the past week or two, there has been marked deterioration. I was speaking with our hospice nurse late last week (week of March 2nd) and we both think that unless God miraculously intervenes, she will go home in late March or early April. We appreciate your prayers as we go through this difficult time.

I have been in contact with those in Mongolia and the

printing ministry is still waiting for the new electrical generator. Please continue to pray for Bayanmunkh as he still has not accepted Christ.

After talking with our pastor, and even though we are back in the States, we will not begin reporting back to our churches until at least July 25th. If I have not already been in contact with you regarding our furlough schedule, I will be in contact over the next few months. If you would like to contact us, you may via email at: Daniel@danielelliottfamily.us or via our cell phone at: 417—616—1465. Again, we humbly request your continued support and prayers as we go through this difficult time.
