

May/June 2010

Dear Friends,

As you are aware, Esther went home on April 2nd. We want to again express our appreciation for all the cards, support, encouragement, etc that we have received. You all have been a blessing to us. Although we may never understand why until we get to heaven, we are praising God that at least one person has been saved as a result of Esther's sickness and death. I can easily say that our story (Esther's sickness and death) has touched thousands of lives around the world for which we are thankful.

About a year ago, we began a project with Bible Visuals, International to translate and print their Visualized Bible Series. This is a series of 78 volumes with 4 lessons per volume. First Bible, Mongolia is planning on going to print with Volume one in Mid—May. Esther's Fund will provide the money needed for the printing of this volume.

We ask for your continued prayers and support as we continue to go through the grief process and make the necessary adaptations in our family life.

We are spending the next few months at our sending church. We will be assisting in their Vacation Bible School starting the first week of July. Starting on July 25th, we will begin reporting back to our supporting churches. We will also be in a few new churches and would appreciate your prayers as we would like to raise some additional funds.

If you would like to contact us, you may via email at: Daniel@danielelliottfamily.us or via our cell phone at: 417—616—1465.

Prayer Requests

1. We would ask that you continue to pray for us as we go through the grief process.
2. We would ask that you pray for us as we prepare for and minister in the VBS. The dates are July 4th—9th.
3. We would ask that you remember us in prayer as we report back to our supporting churches and attempt to raise some new support.
4. We would ask that you pray for the printing of Volume One—New Testament Introduction.

Again, thank you for your prayers and support.
