November/December 2008

Dear Friends,

As Thanksgiving is fast approaching, we want to say **THANK YOU** to all our faithful prayer and financial supporters. Without you, we could not do what God has called us to do. Again, **THANK YOU**. Your prayers and support are greatly appreciated.

In the past two months, many things have happened here in Mongolia. **First**, inflation is officially over 31% this month alone. The actual rate of inflation is much higher. We ask for your prayers as we trust God to meet each and every need. **Second**, it is becoming much harder to obtain long term visas. We are currently on student visas. It has been our plan to obtain an investor's visa once we have completed our language studies. However, the government has changed the requirements on starting a business or investing in an existing business by increasing the needed investment from \$10,000 to \$100,000. In addition, they are placing different requirements on the other types of visa's. On our student visa,

we are prohibited from working. It has been that work was anything done for pay; however, that has changed to anything done on a regular basis.

We will have to leave Mongolia in May 2009 and go to China for a couple of weeks to rework our visas. This will cost about \$3500. Please pray with us as we seek God's will regarding the visa situation here in Mongolia. Third, The English service is going well. We have had a high of 46 and are looking for a larger place to meet. This picture was taken on

October 26th. We appreciate your prayers for this ministry. **Fourth**, Bayanmunkh has returned from the countryside and we have been able to resume our Bible study. His faithfulness to this Bible study is a great blessing to us. Please

continue to pray for his salvation.

Prayer Requests & Praises

Please pray:

1. For Bayanmunkh, Bolor's and Bolgan's salvation.
2. For our English-speaking ministry.
3. That we would see an increase in our monthly support. We are currently around 89% of our needed support.
4. For God's will regarding our long term visas'.

We are praising God for:

1. Bayanmunkh's faithfulness to Bible Study.
2. God's provision for every need.
3. The visitors that have come to our English service.
4. For our faithful prayer and financial supporters.
