May/June 2009

Dear Friends,

God has given us a burden for the translation and printing of Christian material in the Mongolian language. Mongolia desperately needs Christian material translated and printed in the Mongolian language. After spending a great deal of time in prayer we have decided to assist Micky Cofer with the printing ministry of First Bible, Mongolia. First Bible, Mongolia is a ministry of Franklin Road Baptist Church. We will be overseeing the daily affairs of the First Bible, Mongolia printing ministry here in Ulaanbaatar. **As a result of this partnership, we have been able to obtain our new visas and residency permits **WITHOUT LEAVING THE COUNTRY.** We thank you for your prayers regarding this matter. If you have any questions about this new ministry, please contact me.** We appreciate your prayers for this ministry God has given us.

Although, I will continue to take some classes to polish my

language abilities, on May 1st I finished formal, full-time language school. When classes resume this fall, Lydia will continue with her studies. We are considering increasing the number of classes she takes each week and greatly appreciate your prayers as we consider this increase in her class load.

Also this summer, in addition to helping Shining Path Baptist Church with their VBS, we are hoping to do some traveling around Mongolia. For the past 3 years, we have been in the capital city as we have studied the language. We have not had the opportunity to travel to other parts of Mongolia. We are especially interested in visiting some of the small suburbs around Ulaanbaatar.

Finally, we are beginning to make plans for our furlough. We will be returning to the States sometime around the end of June 2010 and we are planning on being State-side for approximately 9 months. As it gets closer to this time, I will begin contacting you to see

about scheduling a meeting.

Prayer Requests & Praises

Please pray:

1. For Bayanmunkh. We would ask that you pray for two major items: first, his salvation; secondly, During the summer it becomes much harder for him to find "free time" in his schedule to meet for Bible Study.
2. For the First Bible, Mongolia printing press. The press is experiencing electrical problems.

We are praising God for:

1. The fact that we did not have to leave the country in order to do our new visas.
2. Our faithful prayer and financial supporters. We know many of you are hurting financially and we appreciate your faithfulness.
