November/December 2009

Dear Friends,

We would like to thank you for your prayers and support that enable us to minister here in Mongolia. We want you to know that we appreciate you and your sacrifice that allows us to be here.

It continually amazes me how fast our kids grow. It is hard to believe that Esther turned 6 this past month (October). I took this picture on her birthday.

Please continue to pray for Bayanmunkh. As of the writing of this letter, he has not been free for Bible Study, due to sickness or work issues. Please pray for his salvation and that he would make Bible

Study a priority in his life.

Starting in November, we will begin teaching Sambuu (one of our workers in the printing ministry) how to minister to children. We appreciate your prayers as we seek to train Sambuu to minister to children.

The printing ministry is going well. We are praising God that HE has supplied an electrical generator. This will significantly help the printing ministry and lower the cost of printing. We expect this generator to arrive in early December. Please pray that it arrives quickly and that we are able to get it installed without difficulty. Also, we need to obtain some specialized printing software. Please pray that God would provide the needed funds for this software.

As we mentioned in previous letters, we are planning a furlough starting in July of 2010. If you are already scheduling missionaries for 2010—2011 and would like for us to report back to you,

please let me know. You can reach me via our Skype number (417-429-0362) or email: [daniel@danielelliottfamily.us](mailto:daniel@danielelliottfamily.us).

## Prayer Requests & Praises

Please pray:

1. For Bayanmunkh's salvation
2. That we would be able to rent our house in Kansas City quickly.
3. For Sambuu as we begin training him in Children's ministry

We are praising God for:

1. Sambuu's desire to learn how to minister to children.
2. The provision of the electrical generator for the printing ministry.
3. The meetings that He has allowed us to book for our up-coming furlough.
